

Billing made easy

At MetLife, we're committed to making your life easier through better services tailored to your needs.

That's why we've re-formatted our billing statements to be easy to access and simple to understand.

Our billing statements are now one single document, making your life easier.

Your bill will be a single consolidated document, eliminating the need to look through multiple documents.

Your bill will be in PDF format for a consistent and simple layout that is easier to read and faster to fill out.

You'll get one tax invoice for your company and separate tax statements for each employee and dependent.

Within your bill, the breakdown of your premiums will be listed next to each insured person, so that they are easy to find.

Your bill will come with user-friendly supporting documents so that you can learn more about your bill.
