## Unique policies for unique needs

Our flexible employee benefit plans enable companies to customize across geographies or employee groups, to make sure everyone has access to the best care possible, at a price they can afford. Our innovative Health & Wellness programs supplement customer policies to deliver holistic cover to employees and further protect their wellbeing.

## Unmatched service, designed with you mind

Our service model is designed to build a long-term relationship and create a successful, solid partnership with your business. A single point of contact ensures that your needs are promptly met and our digital portals give your employees the answers they need, when they need them. Fast, personal, seamless.

## We partner with you at every step

We offer you and your team personalized, seamless support throughout the entire journey—from the onboarding process to policy renewals. That’s how we ensure we’re always there to guide you and your employees, every step of the way.

## Leveraging data to optimize costs

We partner with you to collect data and uncover unique insights. This enables us to help you make the right decisions to reduce costs, whilst optimizing the quality of care you can provide to your people.

## Global reach, regional understanding

We have been partnering with employers in Lebanon for more than 68 years. Our commitment to the region has solidified our understanding of the market and employee expectations, to ensure we deliver effective regional solutions. This is backed by our longstanding global expertise and worldwide capabilities.

## Across the globe

At MetLife, we combine local insight and capability with our global experience and scale, in order to deliver world-class solutions to our clients and their employees.
